CHARITABLE GIVING

Don't miss your chance to **play a world-class course designed by golf legend Arnold Palmer** and support First Tee - New Hampshire. Our kids and teens are facing challenges unseen by previous generations. Many lack access to safe opportunities that foster a culture of acceptance and provide mentorship. We believe every kid deserves the chance to build inner strength before the world demands it, to find the joy that comes with feeling confident in their own skin before the world makes it feel impossible, and to access experiences and spaces where personal growth happens.

We exist to enable kids to build the strength of character that empowers them through a lifetime of new challenges.

Young people in our programs are...

- More confident in school
- Supported by coaches, who they view as caring mentors
- Active community members
- Always welcome, regardless of financial circumstances

To make these outcomes possible, we seamlessly integrate the game of golf with a life skills curriculum where kids feel excited to grow, safe to fail, and better equipped for whatever comes their way next.

Thank you for partnering with us as we usher in First Tee's next era. Together, we are **Building Game Changers.**
