CHARITABLE GIVING

Don't miss your chance to **play a world-class course designed by golf legend Arnold Palmer** and support First Tee - New Hampshire. Our kids and teens are facing challenges unseen by previous generations. Many lack access to safe opportunities that foster a culture of acceptance and provide mentorship. We believe every kid deserves the chance to build inner strength before the world demands it, to find the joy that comes with feeling confident in their own skin before the world makes it feel impossible, and to access experiences and spaces where personal growth happens. **We exist to enable kids to build the strength of character that empowers them through a lifetime of new challenges.**
