

## Building Game Changers

### 2024 Impact Sponsorships

First Tee is a youth development organization which enables kids and teens to build the strength of character, empowering them through a lifetime of new challenges. By seamlessly integrating the game of golf with a life skills curriculum, we create active learning experiences, building inner-strength, self-confidence, and resilience which kids and teens can carry to everything they do.

## First Tee Trustees and our FTNH Capital Campaign

First Tee Trustees are made up of individuals, corporations and foundations that pledge \$1 million or more to our mission. Trustees can direct a portion of their gift to a chapter(s) of their choice, and the totality of these gifts can be spread out over several years.

Our Trustees make a significant impact on our ability to provide strategic direction to our growing network of 150 chapters, as well as curriculum enhancements, technology innovations, ongoing research, continuing adult education for coaches and chapter leaders, expanding diversity and inclusion initiatives, and college scholarships

We are currently seeking significant contributions from supporters in order to support a capital campaign to build a new learning center for our chapter in North Hampton, NH.

## FTNH - Charles Schwab Challenge Grant Commitment

As First Tee reaches the 25<sup>th</sup> anniversary milestone, we are rolling out a truly transformational – ***Game-Changing*** – opportunity to our Chapters. This program, launched in 2021, presents every Chapter the opportunity to significantly grow and evolve over the next several years. Our goal is to ensure that First Tee's mission and work continue to change the lives of young people and communities. Charles Schwab and his company believe in the mission of First Tee and the power of its Chapters to change the game for young people. The **Charles Schwab Challenge Grant** program will run from 2021-2026, with grants payable to Chapters from 2022-2027.

The challenge is to grow Donor-Generated Revenue (DGR) year-over-year, inspiring local investment and resulting in a deeper impact within each Chapter's community. Chapters will be awarded grants based on **annual donor revenue growth over the previous year**. For every \$2 the chapter raises, we will be eligible for \$1, up to a maximum payout each year.

- **First Tee New Hampshire is asking for donors to commit to a gift in the range of \$5,000 - \$10,000 for each of the next 5 years, to help us maximize the long-term impact of this matching grant opportunity.**
